From St. Pete to Washington, Charlie Crist has been fighting for the people his whole life. For Charlie Crist, every Floridian is a neighbor and working to help his neighbors and fighting for what's right is a lifelong calling. Charlie has dedicated his life to fighting for opportunity and fairness for every Floridian. Over his career in public service, he has served as State Senator, Commission of Education, Attorney General, Governor, and Congressman.

“My family’s story is an American story, about American opportunity. All the opportunities provided to my grandfather, an immigrant to this country who didn’t speak English. The values my mom and dad taught me here in Pinellas County. It’s unique to our Florida.” — Charlie Crist
